

# Quality of Life

A cleaner, safer, more attractive place to live, work and visit

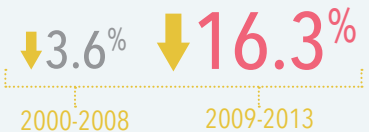

Cleaner, safer,  
more efficient energy

**\$100+ Million**

in energy efficiency  
projects that reduce  
energy consumption  
in state and university  
buildings and  
schools, saving  
\$1.3 million/year.

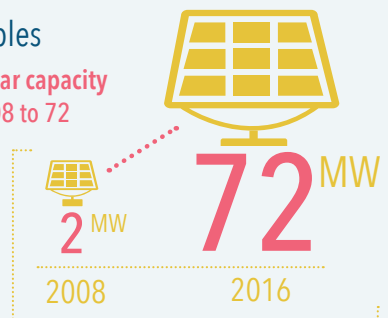

Statewide reduction in  
carbon dioxide emissions

Nine of the state's 10 "dirtiest" power plants have been shut down or switched fuel to cleaner energy sources, and the one remaining coal-fired unit installed \$300 million in pollution controls, resulting in **90% reduction of annual emissions** of sulfur dioxide, oxides of nitrogen and mercury.

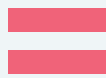

Invested in Renewables

Expanded the state's solar capacity  
from 2 megawatts in 2008 to 72  
megawatts in 2016.

1,600 solar energy systems installed on government  
buildings, businesses, schools and homes.

A more welcoming place for all people

Prohibited discrimination based on a person's sexual  
orientation; Signed law to approve marriage equality;  
Provided transgender Delawareans the same rights to  
protection from discrimination and violence.

Transforming State Trails

Creation of a world-class statewide network of 50 miles  
of new pathways and trails raises Delaware's Bike  
Friendly state ranking from 31st nationally to 3rd.

Investing in the Library system

\$33.8 million in 16 library construction projects in every  
county; increasing available library space by 160,000  
square feet or 38% and boosting public access computers  
by 63% to help support 36,000 visitors at new library job  
centers since July 2011. **Greatest investment in library  
system of any administration in state's history.**

Country's Fastest Broadband

People in Delaware enjoy the fastest Internet speeds of  
any state, and Delaware's average Internet speed is faster  
than that in every country other than South Korea.\*
